Skin Care in Brazil

July 2024

Table of Contents

KEY DATA FINDINGS

2023 DEVELOPMENTS

Lip care and basic moisturisers thrive, but skin care lags in beauty and personal care; competition with sun protection is still a barrier to growth in facial care

Beyond scent, skin healthcare is establishing itself as an avenue for growth in body care

Giftable items drive growth for direct selling and beauty specialists, while pharmacies and retail e-commerce lead in facial self-care

PROSPECTS AND OPPORTUNITIES

Trade-off between performance and values highlights contradictions in consumption

Extreme weather events related to climate change set to increase arbovirus cases, leading to higher repellent use and potential skin irritation

Private label makes pharmacies more than sales spaces, while grocery retailers innovate to overcome sales challenges

About Euromonitor International

Euromonitor International is an independent market intelligence provider. Data, insight and analysis stem from in-the-field research spanning 210 national markets.

Content ranges from the in-depth and country-specific, to key strategic themes with a global range and significance. Products cover a comprehensive range of insights and market data, but can be broadly categorised as:

- **Strategy Briefings:** Global or regional in scope, and focussing on the most important themes shaping consumer demand, the key markets, competitive environment and future outlook across a range of industries.
- **Company Profiles:** Analysis dedicated to the world's most significant companies, with detailed insight into their activities, focus of operations, their competitors, their geographic presence and performance.
- **Country Reports:** For an in-depth understanding of specific countries, whether by industry, economic metrics or consumer trends and lifestyles. These reports cover current trends, consumer demand, market potential and future prospects, with country-specific local insight and comprehensive data, unavailable elsewhere.

For more information on this report, further enquiries can be directed via this link www.euromonitor.com/skin-care-in-brazil/report.
